NEW Location
NORTH PRAIRIE
Village Hall
130 N. Harrison St.

Benefits of native plants

- Save time, money, water.
- Help protect our valuable topsoil.
- Adapt and survive in a wide range of conditions.
- Serve as essential wildlife hosts, habitat and food sources.

Supporting monarch butterflies and other beneficial pollinators and insects through the creation, restoration and maintenance of community native gardens and prairies.

Providing education to help others establish and sustain their own native gardens and prairies.
