Creating  
Pocket Prairies  
& Pollinator  
Gardens

JAN

20

Learn the basics of how to plan, prepare and maintain a successful eco-friendly garden, no matter the size of the garden or your experience.

**PRESENTERS:**

Lindsey and Travis Woodhaven

Native  
Birds  
of Wisconsin

FEB

24

Join us for an engaging and in-depth program on the native birds of Southeast Wisconsin and the ecosystems they call home. Discover the incredible species you help support by providing food and shelter.

**PRESENTER:**

Helen Holtz

Native  
Turtles  
of Wisconsin

MAR

17

Join us for a special program exploring the fascinating world of Wisconsin's turtles – their behaviors, adaptations, and ecological importance.

**PRESENTER:**

Helen Holtz
